Thanks to Sacramento Valley Chapter past president John Morrison, there is a Merchant Marine flag joining the display with the other branches of the service at McClellan V.A. Here John makes the presentation to McClellan site manager Don Black and Veterans Advocate Lori Guevara. While at McClellan John noticed that there was no Merchant Marine flag with the service flags

being displayed. He talked to Lori Guevara who told him that they would display our flag if they had one. John brought it up at a meeting and we ordered the flag, pole, and base but John insisted in paying for it all. Thanks John. Good job. *Bob Ulrich*
